

# CENTERPOINT ENERGY'S 2017 SCORE<sup>SM</sup> MARKET TRANSFORMATION PROGRAM

## INTRODUCTION

**5,800** more teachers\*  
or  
**5.5 million** more books for students\*

That's the impact the SCORE Program has had on Texas institutions.

Next to payroll, energy is often the biggest line item on a school's budget. CenterPoint Energy designed SCORE to give schools the technical and financial resources necessary to reduce energy expenses and direct more of their budgets to students and teachers.

The program is funded by CenterPoint Energy and is offered at no cost to Partners. SCORE is a voluntary program that offers objective, third-party consulting on best practices in the areas of energy usage and energy efficiency. Please note that no products or services are sold through SCORE.

Based on your individual needs, the program will provide customized assistance such as:

- **ENERGY PERFORMANCE BENCHMARKING:** Learn where and how your buildings are wasting energy.
- **ENERGY MASTER PLANNING WORKSHOPS:** Learn energy management best practices that finance, facilities, and administrative staff can employ to maximize long term savings.
- **FINANCING ASSISTANCE:** Learn about the many options available to finance energy efficiency projects that involve little to no upfront cost.
- **TECHNICAL ASSISTANCE** to help identify and evaluate energy-efficiency opportunities.
- **COMMUNICATIONS SUPPORT** to help publicize your leadership and accomplishments in energy efficiency.
- **INCENTIVES:** Earn varying cash incentives for lighting, HVAC, roofing and other projects that reduce energy consumption and/or peak electric demand.

	\$/kW	\$/kWh
Lighting	\$105	\$0.03
LEDs	\$105	\$0.05
DX	\$190	\$0.04
Chiller	\$230	\$0.04
Motor	\$120	\$0.02
VFD	\$150	\$0.04
Window Film/Replacement	\$90	\$0.02
Roofing	\$150	\$0.06
Other	\$175	\$0.04

Please contact CenterPoint Energy or CLEARResult should you have any questions or need additional information. We look forward to helping your organization save energy and money through SCORE.

\*Based on the lifetime energy savings of equipment installed combined with total incentives earned by Texas educational partners as of November 2016.

### INTERESTING FACTS

- CenterPoint Energy's SCORE Partners have completed over 1,300 projects, which will result in more than **\$115 million** in energy savings over the lifetime of the equipment
- In terms of annual greenhouse gas emissions, that's the equivalent of taking **15,800 passenger vehicles** off the road
