

El Paso Electric 2017

SCORE® Program Participation Process

1. CONFIRM ELIGIBILITY

- Must be an El Paso Electric (EPE) customer in the Texas service area
- All public (school, city and county) entities are eligible to participate

2. COMPLETE SCORE LETTER OF INTENT

- Letter of Intent (LOI) provided to EPE customer for program enrollment
- Program participant returns signed LOI to Program Consultant Nathan Bouche

3. EVALUATE PROJECT OPPORTUNITIES/SCHEDULE PRE-INSTALLATION INSPECTION

- CLEAResult will assist in evaluating potential of energy efficiency projects.
- Schedule pre-inspection(s) with Nathan Bouche prior to any equipment removal.
- CLEAResult will estimate energy savings and incentive payment calculations based on pre-inspection and/or construction documents.

4. COMPLETE PROJECT APPLICATION FORM

- Participant completes Project Application Form including the project name, address, project size (sq. ft.) and project start and completion date.
- CLEAResult completes the project scope, savings and estimated incentive amount.
- Return signed Project Application Form to Nathan Bouche.
- Participant is notified of availability of SCORE funds.

5. COMPLETE PROJECT

- Once project is completed and post-inspection scheduled, Nathan Bouche will determine final energy savings and incentive payment.
- Participant provides invoices and signed W-9 to Nathan Bouche.
- Participant receives energy efficiency incentive payment from El Paso Electric.

Please contact an El Paso Electric or CLEAResult representative if you have any questions or for more information. We look forward to helping your organization save energy and money.
